

THE BOO DEVILS

· INFERNO ·

(Letra: A. Navarro. Música: J.M. Mora)

There's an old black magic someone said
It could do you good, it could make you mad
Gonna find that spell, gonna use it through
Gonna make you want me like I want you
Whooooaaaaaaaaa!!
Inferno!!

Got a ticket to Salem, I'm askin' a witch
About some magic tricks to make me rich
She told me "Son, you look like a cat"
I said "You turn me on", then she turned me into a rat
Whooooaaaaaaaaa!!
Inferno!!

I need an unborn's eyes and a ju ju bone
I need some vampire's tooth 'til my pain has gone
'Cause witchcraft is the only thing
That could make me stop, that could make me sing
Whooooaaaaaaaaa!!
Inferno!!

Draw a pentagram with flesh and blood
Kill a little puppy while you're on the road
Shout at the Devil with a knife in your back
At the gates of hell no one hears you knock
Whooooaaaaaaaaa!!
Inferno!!
Inferno!!
Inferno!!
Inferno!!
