---

## · YOU KNOW, THEY KNOW ·

*(Letra: A. Navarro. Música: J.M. Mora)*

Move your hips, shake your soul  
Praise the Lord for Rock N' Roll  
Wow!

Put on your dress, comb your hair  
Cross that door and ask for more  
Wow!

You met the guys they always seem to know  
How to put a smile, no matter what's gone wrong  
Share some beers and hear the same old songs  
Cos you know, they know, show must go on  
Wow!

Have some fun, break their hearts,  
All you want tonight has green lights  
Wow!

Tell some lies, steal his car,  
If you hurry you'll never get caught  
Wow!

You met the girls they sometimes tend to show  
Their darkest sides, three backstabs in a row  
Spit some venom and dancing all nite long  
Cos you know show must go on

Ohhhh! You know, they know  
Ohhhh! You know, they know  
Show must go on... Yeah!

You never know, right?
